

THE 1956  
BULLDOG

Billy McLean

Dear Billy,

It has been a pleasure to know you this year. Our association has been confined to a 5 minute roll call but I'm looking forward to having you in a Class next year.

Mrs. Sartin

Dear Billy,

~~I hope you had a good time  
and that you enjoyed every moment  
of them. Remember my little glass?  
I really had a lot of fun that night.  
The whole thing was a regular  
success. I hope you will be able  
to see some of my friends. I hope you  
will be able to see some of my friends.~~

~~Love,  
Mrs. Sartin~~

ALMA MATER

Hail to thee, Dear Brandon High,

School we love so dear.

In our hearts we'll always cherish

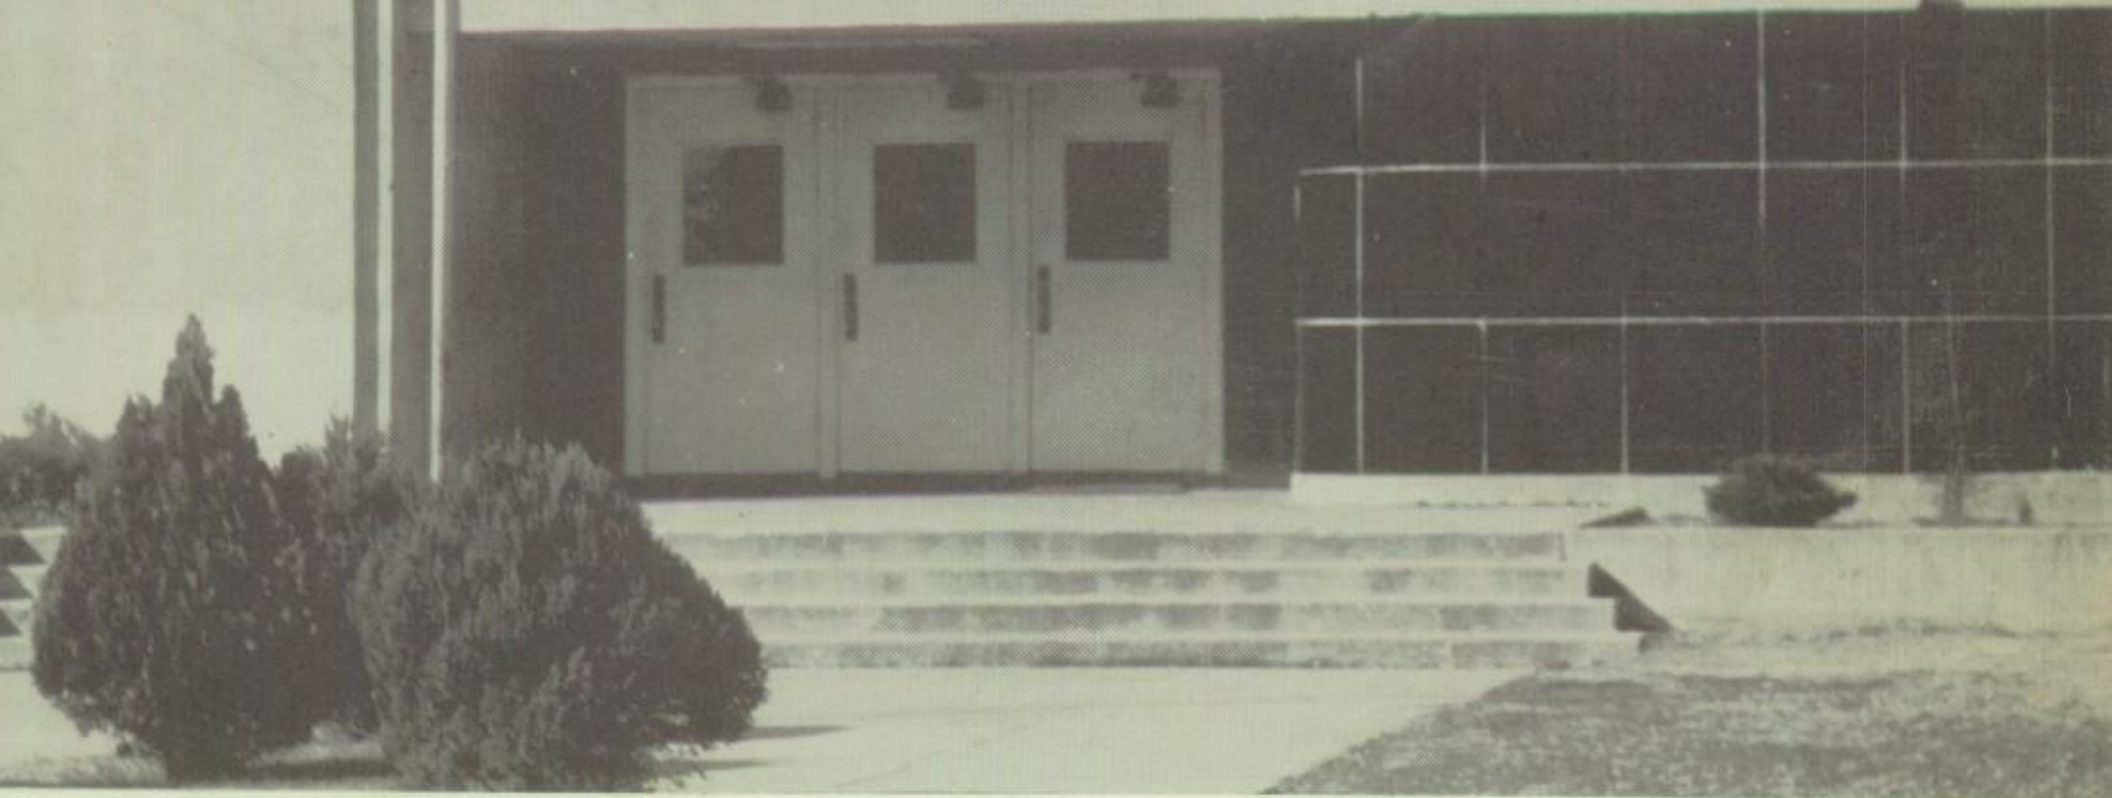

Memories through the years.

Days of toil and happy hours

We have spent with you,

We will always love and honor

and to you be true.

The Annual Staff  
of Brandon High  
Presents The—

1956 BULLDOG

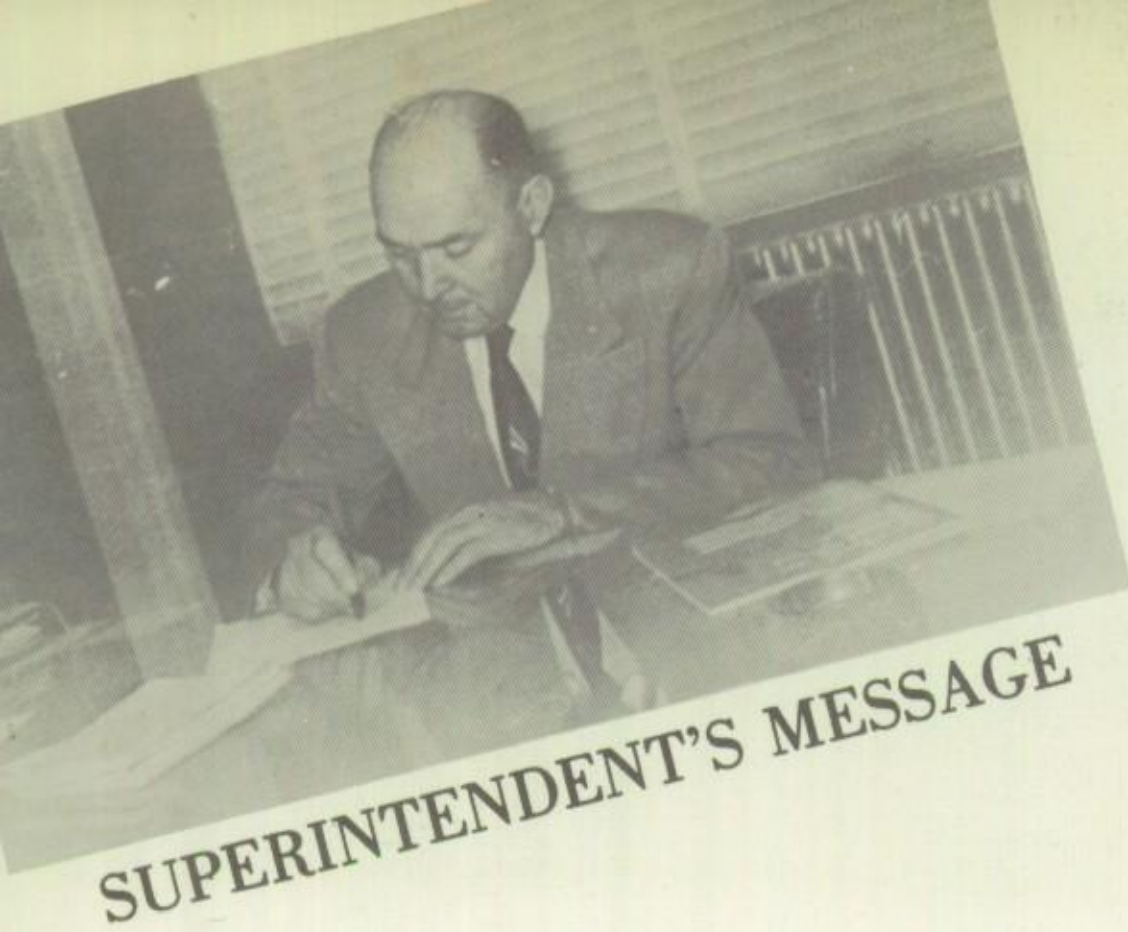

## DEDICATION

"A learned man  
has always riches in himself."

There are few men who demand respect by their very presence, who possess a quiet and co-operative manner in every way. Brandon has been blessed with one of these men as our new superintendent. By dedicating, this yearbook to Mr. C. W. Brooks, it is the wish of the 1955-56 Bulldog Staff that his years in Brandon will be long and prosperous.

To the Students of Brandon High School

I want to express my appreciation for your enthusiasm and co-operative spirit displayed in making this a profitable and pleasant year.

To the Annual Staff:

I know that the 1956 BULLDOG has taken many hours of your time and I am sure it will provide many hours of pleasure to your classmates. You are to be commended for your effort in making this annual possible. Thank you.

To the Seniors:

I would like to take this opportunity to wish for all of you success and happiness in your future undertakings.

C. W. Brooks

As principal of Brandon High School, it gives me great pleasure to be able to send this message to you during the school year 1955-56, and to make a few statements about our school.

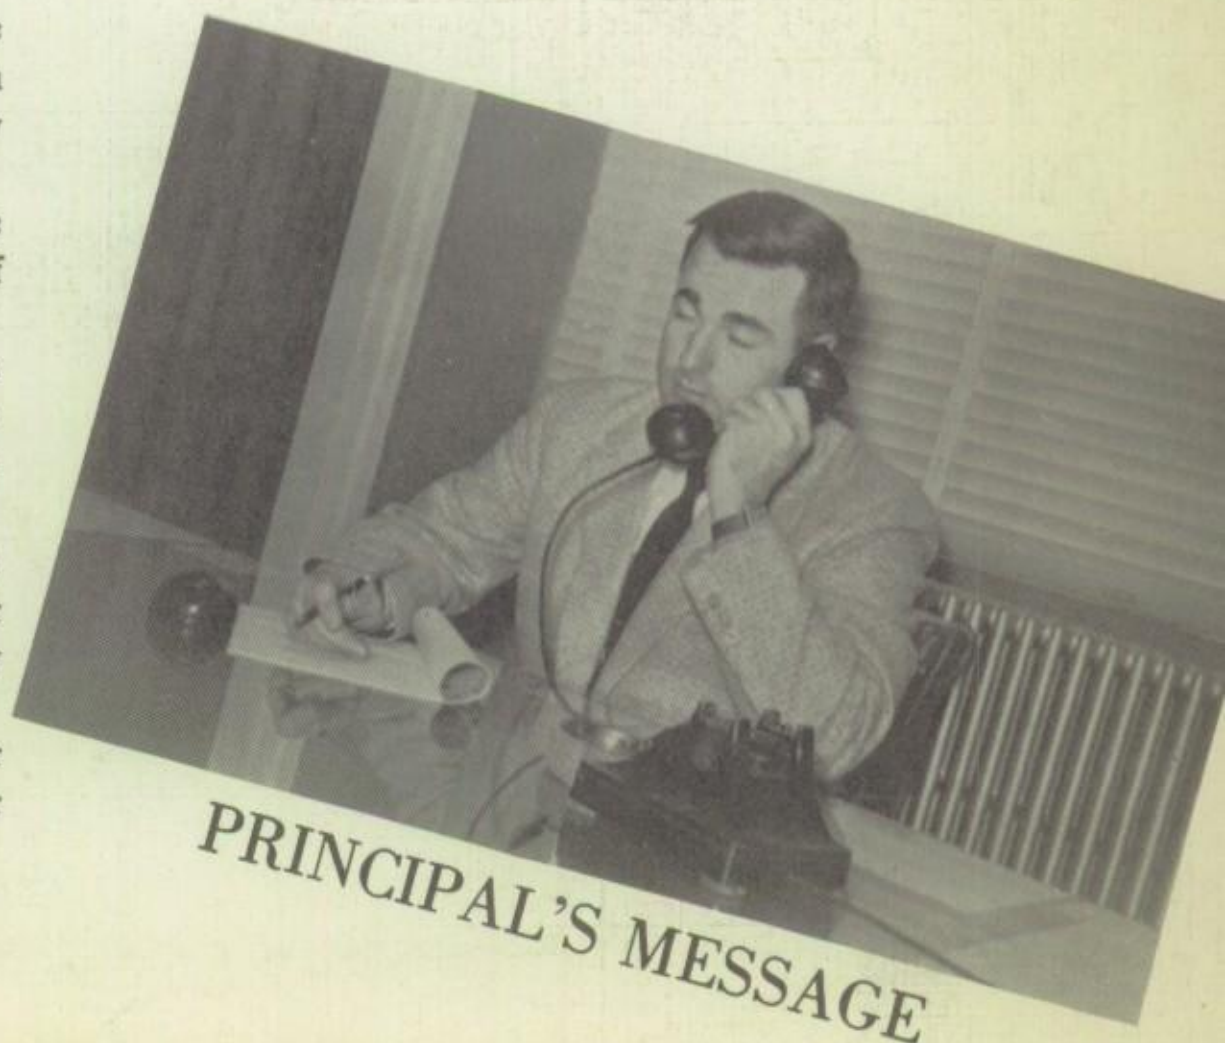

First, your faculty is second to none in the entire state of Mississippi, and you can be justly proud of the entire staff.

Second, nowhere in my associations with students have I ever found such a fine group of young people dedicated to bettering their future lives through education and religion.

Third, your athletic programs, student council and all other school organizations reflect in their outstanding records the caliber of students and faculty personnel engaged in the activities.

I urge you to think seriously and plan wisely for your future. May God always help guide you in your decisions.
